AMENDMENT OF THE MEMORANDUM OF UNDERSTANDING FOR COOPERATION AND EXCHANGE OF INFORMATION IN NUCLEAR REGULATORY MATTERS BETWEEN THE OFFICE FOR NUCLEAR REGULATION OF THE UNITED KINGDOM OF GREAT BRITAIN AND NORTHERN IRELAND AND THE CANADIAN NUCLEAR SAFETY COMMISSION

WHEREAS the Office for Nuclear Regulation (ONR) of the United Kingdom of Great Britain and Northern Ireland and the Canadian Nuclear Safey Commission (CNSC), Canada (the "Participants"), have exchanged information applicable to cooperation and exchange of information, contemplating the exchange of the Participants' personnel, training of personnel and assistance in the field of nuclear regulation; and

WHEREAS the Participants recognise the need to continue the cooperation for the current effective period of the Memorandum of Understanding signed in October 2020;

NOW, THEREFORE, the Participants have consented to amend the Memorandum of Understanding as follows to enhance the framework for continued cooperation and information exchange without changing its scope. Provisions below replace the referenced articles and paragraphs. All other provisions of the Memorandum of Understanding signed in October 2020 remain unchanged and in effect:

ARTICLE III

USE OF INFORMATION

(2) Either Participant may clearly identify, on any information that it may provide to the other under this Memorandum of Understanding, that the information is provided in confidence and may impose restrictions on the use and dissemination of the information. If required by law the recipient Participant may have to disclose restricted information. The recipient Participant will exhaust all reasonable legal challenges to resist the disclosure of such information, and will notify the disclosing Participant in advance of any such disclosure.

ARTICLE V

VISITS AND TRAINING AND JOINT PROJECTS

(1) Each Participant may request that the other Participant accept temporary or extended visits for a mutually acceptable duration from members of the requesting Participant's personnel, or of an institution sponsored by the requesting Participant. The visits will be carried out for the purpose of exchanging information, training, and other mutually beneficial matters.

(2) Each Participant will make its best efforts to accommodate the visits that may be requested by the other Participant pursuant to the above paragraph (1). Participants will give priority to virtual visits unless it is not reasonably practicable recognizing the nature of the proposed visit.

(3) Visits pursuant to paragraph (1) above will be the subject of a separate arrangement between the Participants and of terms and conditions in accordance with each Participants' legal obligations.

ARTICLE XI

ENTRY INTO EFFECT

This Memorandum will commence immediately upon signature by both Participants and will continue to have effect for five years from the date of its being so signed.

IN WITNESS WHEREOF, the Participants, by their duly authorized representatives, have signed this Amendment.

Signed on 15 September 2026, in duplicate, in English and French, each text being equally authentic.
