Dear Mr Bridge

OFFICE FOR NUCLEAR REGULATION (ONR) – INVITATION TO JOIN THE WORK RELATED DEATH PROTOCOL

Thank you for your letter.

In my capacity as The Chief Executive Officer of the Office for Nuclear Regulation, I acknowledge that the National Liaison Meeting for the Work Related Death Protocol (WRDP) has accepted our request to become a signatory of the Protocol in our own right following our transition to a Public Corporation in April this year. I am able to confirm on behalf of ONR that we are content to become a signatory, and in doing so agree to abide by the principles of the WRDP when dealing with work related deaths.

Yours sincerely

John Jenkins
ONR Chief Executive Officer
