

**ONR NGO Forum - Meeting Agenda - 27 November 2020 (1000-1230)**

To ensure there is no background noise during the video conference, we would ask that all participants remain on mute until invited to speak. There will be opportunities following each presentation to ask questions. For agenda item two, we would ask that you write questions in the “chat” box. If you would like to ask a question during agenda item three, please use the raise hand function. We’ll remind attendees of arrangements on the day. Thank you.
