**Closure of Regulatory Observation RO-ABWR-0059: Provision of Water Cooling for the RCCV Drywell Head of the UK ABWR**

I refer to Regulatory Observation RO-ABWR-0059 issued on 26 June 2015.

I am writing to confirm that:

- You have submitted the information committed to within your Resolution Plan.
- This information has been reviewed by ONR and we judge that it provides an adequate response to the Regulatory Observation.

On this basis, ONR confirms closure of Regulatory Observation RO-ABWR-0059.

In the coming months I will be seeking confirmation and evidence that the commitments made, notably to changes in the production of the RCCV top head, are being implemented.

A copy of this letter will be published on the ONR website in due course.

Yours sincerely
