

Accession to the ESARDA Agreement n. 22613-2004-12 SONEN ISP BE

Between

Irmgard Niemeyer, President of the ESARDA Steering Committee, duly empowered to represent the 10 Parties which signed the said ESARDA Agreement on March 15, 2005 and the Parties, Associated and Individual Members which signed after that date, officially published on www.esarda.eu.

and

Paul Fyfe, Deputy Chief Inspector & Director Civil Nuclear Security (CNS) Division, Office for Nuclear Regulation, Rose Court, 2 Southwark Bridge Road, London, SE1 9HS

Whereas

The Office for Nuclear Regulation (ONR) intends to accede to the ESARDA agreement as foreseen in its articles 4 and 5,

It is agreed as follows

The Office for Nuclear Regulation declares that it has taken notice of all provisions of the ESARDA Agreement, which it has approved without reservation.

Therefore, through signature of this Accession Agreement by its duly authorized representative, The Office for Nuclear Regulation accedes to the ESARDA Agreement as Party, with all the same rights, duties and obligations as foreseen in it.

All the provisions of the said ESARDA Agreement n° 22613-2004-12 remain unchanged.

The ESARDA Agreement is here annexed as part of this Accession Agreement and will have to be initialed on all pages by The Office for Nuclear Regulation.

The Office for Nuclear Regulation will become an effective Party on the date of signature of the Accession Agreement.
