You don't often get email from [REDACTED]. [Learn why this is important](#)

Hi

A quick note to say that I am not going to object to the above planning application for the reasons set out in their planning statement. When I did the review of it last year I spent a lot of time balancing the reasons for and against, consulting [REDACTED] and [REDACTED] as a result and on reviewing their proposal and what I considered at PreApp stage nothing has changed in my mind and hence my feedback will be different to that submitted by AWE.

I do need to respond to the planning officer by noon tomorrow (noting I am actually on leave) and away doing army work so will have limited access to take calls etc but I will keep an eye on emails such that should you wish to talk I shall try to step out of what I am doing for a while.

Kind Regards
