Hi [REDACTED]

Please can I ask you to send this pre app draft response to the [REDACTED].
My initial view is to not have any adverse comments about the site however I am very aware that this would be another 5 dwellings in an already densely populated area and therefore may have that additional impact in relation to RMU etc etc. It is different to other sites in the area where we have appeals at the moment mainly in relation to the existing population density, that said by approving this then there would be additional population.

Hence, I do have concerns about my initial no adverse comments and would welcome others feedback in relation to this site.

If you could kindly ask all in the [REDACTED] to feedback to [REDACTED] ideally by Fri 19th July that would be hugely helpful.

Thank you
