**Closure of Regulatory Observation – RO-ABWR-0019 – Reactor Chemistry Safety Case: Strategy, Plan and Delivery**

I refer to Regulatory Observation RO-ABWR-0019 issued on 19 September 2014 [Ref. 1].

I am writing to confirm that:

- You have submitted the information committed within your Resolution Plan [Ref. 2];
- The information has been assessed by ONR and we judge that it provides an adequate response to fulfill the overall intent of the Regulatory Observation.

On this basis, ONR confirms closure of Regulatory Observation RO-ABWR-0019.

I will monitor delivery against this strategy and plan as part of our routine interactions during GDA Step 4.

A copy of this letter will be published on the ONR website in due course.

Yours sincerely
