Closure of Regulatory Observation - RO-ABWR-0060 - Environmental Impact of Emissions To Air From Diesel Generators

Dear Sirs,

The EA SME for the 'Other Environmental Regulations' work has completed our assessment of your responses to RO-ABWR-0060 'Environmental impact of emissions to air from diesel generators' and the associated Action.

Based on this assessment, and the submission of the required information in the latest revision of the GEP (Rev E), we are content that this RO is now closed.

Yours faithfully
