## **Closure of Regulatory Observation RO-UKHPR1000-0053 – Provision of evidence to support bounding case justifications**

Dear

I refer to Regulatory Observation RO-UKHPR1000-0053 issued on 19<sup>th</sup> November 2020.

I am writing to confirm that:

- In response to all Regulatory Observation Actions, you have submitted the information committed to; and
- This information has been assessed by ONR and we judge that it provides an adequate response to our Regulatory Observation Actions.

On this basis, ONR confirms closure of Regulatory Observation RO-UKHPR1000-0053.

There is one residual issue attached to this RO closure. This concerns the requirement for the future licensee to ensure that its internal hazards assessment is based upon the latest detailed UKHPR1000 design reference.

A copy of this letter will be published on the ONR website in due course.

Yours sincerely,
