### Lot 1

Ref No.	Title	Contractor	Value (exc VAT)	Start Date	Finish Date
ONR 965	Relevant Good Practice for the use of Best Estimate Plus Uncertainty as a Safety Analysis Tool	Tractebel	<b>£106,141.00</b>	24/07/2023	29/02/2024
ONR995	Independent Review of the V&V of the Computer Codes used for the Design and Safety Analysis.	GRS	<b>£150,482.25</b>	20/11/2023	30/04/2024
ONR997	Confirmatory analysis for the Licensee's (NNB GenCo Ltd) assessment of Intermediate Break Loss of Coolant Accidents (IB LOCA) on HPC	GRS	<b>£212,878.42</b>	01/04/2024	31/03/2025
ONR1011	Independent Confirmatory Safety Analysis - Rolls-Royce SMR Generic Design Assessment	GRS	<b>£1,564,731.49</b>	13/05/2024	12/05/2026
ONR1071	Provision of Research on Passive Systems Modelling in PSA	Tractebel	<b>£128,951.82</b>	01/04/2025	01/07/2026
ONR1051	Holtec SMR-300 Generic Design Assessment – Core Design Literature Review	ESRC	<b>£24,941.61</b>	07/10/2024	31/01/2025
ONR1109	Provision of Technical Support for PSA for the Step 3 Assessment of Rolls-Royce Small Modular Reactor (SMR) GDA	GRS	<b>£274,972.49</b>	01/10/2025	31/08/2026

## Lot 2

Ref No.	Title	Supplier	Value (exc VAT)	Start Date	Finish Date
ONR894	Research into the Management of Post-Operational Pre-Stressed Concrete Structures	Arup	<b>£62,930.00</b>	13/02/2023	31/10/2023
ONR895	Provision of Independent Research into the Seismic Isolation of SMRs and AMRs	Arup	<b>£116,550.00</b>	06/03/2023	31/08/2023
ONR923	Provision of Research on Aircraft Impact Hazard - Threat Definition	Mott MacDonald	<b>£104,000.00</b>	13/03/2023	04/12/2023
ONR968	Provision of Support on Civil Engineering Safety Assessment for GDA Step 2 of the Rolls-Royce SMR	Arup	<b>£281,916.00</b>	01/09/2023	03/06/2024
ONR1050	Provision of SZC Groundworks Technical Support	Arup	<b>£53,000.00</b>	14/10/2024	31/03/2026
ONR1060	Provision of Technical Support for Civil Engineering, Step 3 Assessment, Rolls-Royce Small Modular Reactor GDA	Arup	<b>£705,781.30</b>	03/01/2025	30/10/2026
ONR1070	Provision of Technical Support for Civil Engineering, Step 2 GDA Assessment, GE Hitachi BWRX-300	Mott MacDonald	<b>£264,410.30</b>	01/02/2025	31/12/2025
ONR1074	Review of high-end climate change scenarios	Arup	<b>£44,750.00</b>	07/04/2025	19/12/2025
ONR1116	Provision of a Seismic Qualification Utility Group (SQUG) certified engineer to support ONR specialist inspectors with observation of EDF NGL seismic walkdowns	Mott MacDonald	<b>£27,700.00</b>	01/11/2025	30/06/2026

## Lot 3

Ref No.	Lot 3 Title	Contractor	Value (exc VAT)	Start Date	Finish Date
ONR871	Provision of Face-To-Face Technical Training Course on Hydrogen Safety	Frazer Nash Consultancy	<b>£21,750.00</b>	01/11/2022	28/02/2023
ONR864	Provision of Chemistry Support on the Nuclear Safety Impact(s) of Fuel Deposits in Nuclear Power Plants	Frazer Nash Consultancy	<b>£86,365.72</b>	01/04/2023	31/10/2023
ONR874	Provision of an Intelligent Customer for the Development of the Nuclear Industry Human Factors Learning Pathway	Frazer Nash Consultancy	<b>£42,194.79</b>	21/11/2022	30/04/2023
ONR920	Provision of Developing Human Factors Capability - Provision of Inspector Coaching, Mentoring and Technical Review Support	Frazer Nash Consultancy	<b>£94,672.42</b>	03/04/2023	31/03/2024
ONR991	Provision of Advice on the Regulatory Significance of Modularisation in the Generic Rolls-Royce SMR Design	ESRC	<b>£140,542.00</b>	23/10/2023	30/06/2024
ONR973	Development of Guidance on the Use of Electronic Procedures	TUV SUD Ltd	<b>£68,338.52</b>	02/01/2024	31/01/2025
ONR1002	Provision of an Intelligent Customer for the Development of the Nuclear Industry Human Factors Learning Pathway	Frazer Nash Consultancy	<b>£8,328.11</b>	31/01/2024	31/03/2024
ONR1010	Provision of Technical Support for assessment of EIADR Submissions	Frazer Nash Consultancy	<b>£146,799.64</b>	01/06/2024	31/03/2027
ONR1019	Provision of Technical Support to Human Factors	Frazer Nash Consultancy	<b>£207,818.59</b>	10/06/2024	31/03/2027
ONR1018	Provision of an Intelligent Customer for the development of the Nuclear Industry Human Factors Learning Pathway - Phase 2	Frazer Nash Consultancy	<b>£126,755.38</b>	17/06/2024	31/03/2027
ONR1023	Provision of Phase 2 of Research into Development of ONR Regulatory Approaches for Regulating a Wide Range of Artificial Intelligence Applications	TUV SUD Ltd	<b>£104,087.57</b>	01/08/2024	31/07/2025
ONR1029	Provision of Analysis and Amendment of Guidance Relating to the Cyber Protection System	Frazer Nash Consultancy	<b>£80,715.96</b>	19/08/2024	31/03/2025
ONR1031	Provision of Technical Support to Deliver the UK's Modelling Contribution to the FAIR Analytical Working Group (AWG) as part of the FAIR Experimental Programme	Frazer Nash Consultancy	<b>£202,090.00</b>	02/09/2024	30/03/2029

ONR1045	Provision of Cyber Security Emerging Risk Intelligence	ESRC	<b>£56,479.00</b>	10/09/2024	31/10/2024
ONR1040	Provision of population data and geographic mapping and analysis services, in support of the ONR EP&R team (particularly Land Use Planning)	Frazer Nash Consultancy	<b>£103,002.32</b>	01/10/2024	31/03/2027
ONR1053	Maintaining safety in complex mega construction projects	ESRC	<b>£73,783.69</b>	04/12/2024	30/06/2025
ONR1046	Provision of Embedded Cyber Security Contractor for the GE-Hitachi BWRX-300 GDA	TUV SUD Ltd	<b>£137,266.83</b>	09/12/2024	11/12/2025
ONR1041	Provision of Security Assessment Principles (SyAPS) Aligned Training for Industry	TUV SUD Ltd	<b>£283,400.68</b>	03/02/2025	31/03/2026
ONR1066	Provision of Technical Support for Structural Integrity for RR - SMR	Frazer Nash Consultancy	<b>£225,793.48</b>	03/02/2025	04/05/2026
ONR1055	Provision of an Independent Review of Probabilistic Safety Analysis (PSA) Methodologies for Holtec SMR-300 Generic Design Assessment	TUV SUD Ltd	<b>£60,607.34</b>	19/02/2025	31/08/2025
ONR1067	Provision of Information and Strategic Advice to ONR on How it can Regulate Digital Solutions	TUV SUD Ltd	<b>£357,720.28</b>	01/04/2025	31/03/2026
ONR1099	Provision of SyAPS Project Update	Frazer Nash Consultancy	<b>£97,842.88</b>	18/07/2025	31/03/2026
ONR1102	Provision of Independent Advice on the Primary Circuit Chemistry and Materials Degradation Aspects of the Rolls Royce SMR Generic Design and Safety Case	ESRC	<b>£79,945.62</b>	15/09/2025	05/06/2026
ONR1115	Technical support for the innovation project "Accelerating deployment of artificial intelligence in nuclear installations, focusing on use of AI to analyse, interpret and categorise data"	TUV SUD Ltd	<b>£103,207.95</b>	15/09/2025	31/03/2026
